

## Primer Coatings

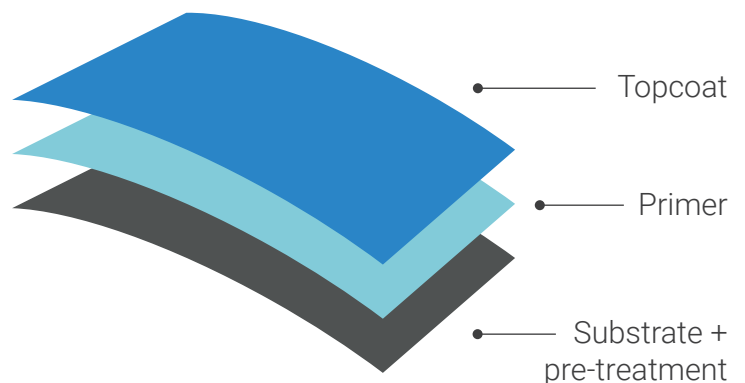

### Key facts

- ✓ **Long term** protection for structural and non structural parts
- ✓ **High quality** and **high performance** anticorrosion primers
- ✓ **Overcoatable** primers with environmental and chemical **resistant topcoat**

### Applications

Dedicated solution for:

- ➔ Aluminium, steel and other metallic parts, composites
- ➔ Pre-treatment by:
  - Blasting
  - Conversion coating
  - TCP (SOCOSURF TCS / SOCOSURF PACS)
  - Anodizing
  - SOCOGEL adhesion promoter

### Features and benefits

- ✓ **Sustainable** chrome-free primers
- ✓ Full range of **solvent based, water based** primers to answer customer needs
- ✓ **Corrosion** and **chemical resistant** coatings
- ✓ **OEM approved** primers / topcoat

# Range overview

## Primer coatings

	Product type	VOC	Available color	Adhesion to substrate	Chromate free	Recommended Topcoat	Main approvals
<b>PCEH 100 V2</b>	Epoxy waterborne primer	Low VOC	Beige	Aluminium, steel, composite	Yes	LBYH 203V2	SAFRAN AIRCRAFT ENGINES
<b>SOCOGLAZE PRIMER WB410</b>	Epoxy waterborne primer	Low VOC	Grey	Aluminium, steel, composite	Yes	LBYH 203V2 LBYH 150	THALES
<b>SOCOGLAZE PRIMER WB411</b>	Epoxy waterborne primer	Low VOC	Beige	Aluminium, steel, composite	Yes	LBYH 203V2 LBYH 006	SECAN
<b>EP 420</b>	Epoxy polyamide solventborne primer		Beige Grey	Metallic substrate	Yes	Dx46 HES 540	
<b>D 2339</b>	Epoxy polyamide solventborne primer		Beige Grey	Metallic substrate	Yes	Dx46	THALES
<b>AEROGLAZE 9947</b>	Solventborne wash primer		Red	Bare metallic substrate	Yes		DEPT OF NAVY / NATO
<b>AEROGLAZE 9741</b>	Solventborne epoxy primer		Grey	Metallic substrate, composite	Yes		BOEING / CYTEC / SOLVEY / HONYWELL / LOCKHEED MARTIN
<b>AEROGLAZE 9924*</b>	Solventborne wash primer		Red	Bare metal, aluminium	No		NASA / NATO
<b>AEROGLAZE 9929*</b>	Solventborne epoxy primer		Yellow	Metallic substrate	No		NASA
<b>SOCOGLAZE PT-500*</b>	Solventborne epoxy primer	Low VOC	Yellow Green Light green Dark green	Metallic surfaces	No	PT-799	MIL-P-23377E TY I/II, CL.2/CL.3 // BMS 10-11Y TY. I GR. B // NAI 1269
<b>SOCOGLAZE PT-522*</b>	Solventborne alkyd zinc Primer	Low VOC	Yellow Green	Metallic Surfaces, Wood, Composite, Concrete	No		TT-P-1757B TY. I&II
<b>SOCOGLAZE PTW-582*</b>	Chromated water based epoxy primer	Low VOC	Light green Dark green BMS colors	Metallic surfaces	?		MIL-PRF -85582D/E.
<b>SOCOGLAZE PT-402*</b>	Acid Etching polyvinyl Butyral zinc primer		Yellow Green	Metallic surfaces	No		DOD-P-15328P MIL-C-8514C
