

DISCOVERT DP PEINT L is a plant-based paint stripper used to strip paint and paint application equipment. It is suitable for use on powder, solvent and water-based paints.

DISCOVERT DP PEINT L is a non-toxic and environmentally responsible alternative to chlorinated or hydrocarbon solvents that can be harmful to the environment and operators.

Advantages

- Readily biodegradable
- Halogen free
- Very low VOC
- CMR free
- Inert on metals
- Non-flammable
- Ready to use
- Can be rinsed using water or a high-pressure washer
- Not subject to safety labelling

USES

- Ideal for cleaning paint application equipment (spray guns, brackets, covers, etc.)
- Stripping paint from the majority of surfaces
- Stripping powder-based, solvent-based or water-based paint

DIRECTIONS FOR USE

Application methods:

- Brush
- In a hot or cold bath, with or without ultrasound. Heating is not required but can boost the effectiveness of the stripping process and cut the application time (recommended temperature between 40 and 50°C).

Thoroughly degrease the surface prior to applying the new coat of paint.

Note: the necessary contact time for optimal removal will depend on the type and the thickness of the coating.

TECHNICAL CHARACTERISTICS

Appearance	Fluid liquid
Specific gravity	1
Colour	Clear, slight amber colour
Odor	Sweet, non-lingering
Solubility	Can be diluted
Flash point	N/A

PRECAUTIONS FOR USE AND STORAGE

Storage temperature: between 5 and 25°C for maximum shelf life.
The product can be stored up to 35 ° C

Shelf life: 2 years (sealed packaging).

Always perform a surface compatibility test prior to use.
