

**SOCOWIPES MULTI** are multi-purpose wipes. This professional dry wash solution provides rapid results in any location. To ensure maximum effectiveness, SOCOWIPES MULTI has been developed using a robust, lint-free, solid and embossed cloth, equally ideal for removing heavy pollutants such as grease or mastic and stubborn stains from oil or paint. The presaturated solution combines cleaning effectiveness with yeasticidal action, as well as bactericidal and fungicidal action, to ensure perfect hand hygiene on construction sites and active cleaning of work surfaces, tools and equipment:

### Complete solution:

- SOCOWIPES MULTI – a ready-to-use solution to eliminate residues
- ‘Dry’ solution – Soap and water are no longer needed.
- Suitable for ON-SITE use in workshops or MOBILE use on construction sites and in service vehicles.
- Effective on a multitude of pollutants commonly found in industry, construction or mechanics.
- Replaces a large quantity of cleaning products

### Safe and ergonomic solution:

- Gentle on hands: zero irritant or sensitizing effect.
- Lightly scented presaturated solution
- Size suitable for all uses: large wipes 20 x 20 cm
- No hazards identified – no constraints for transportation, storage or use
- Yeasticidal, bactericidal & fungicidal efficacy:

Biocidal efficacy	Standards	Time	Strains
Yeasticidal	EN 1650	1min	candida albicans
Bactericidal	EN 1276	1min	Staphylococcus aureus Pseudomonas aeruginosa Enterococcus hirae Escherichia coli
Fungicidal	EN 1650	5min	Candida albicans Aspergillus brasiliensis

## USES

---

**SOCOWIPES MULTI** is a ready-to-use solution equally suitable for use in workshops, while on the go on construction sites, or in service vehicles. Highly effective for removing all types of dirt and stains including traces and residues of glue, mastic, epoxy or uncured paint, oil, tar, soot or lubricant stains, as well as grease, bitumen, expanding foam or ink, and more.

## DIRECTIONS FOR USE

---

**SOCOWIPES MULTI** are ready to use

- Extract a wipe via the dispenser opening, apply it to the surface to be cleaned and rub until the stain to be removed has completely disappeared. Close the dispenser tightly after use.
- Suitable for all types of surface, including metals, plastics, painted surfaces and rubber. On sensitive materials, it is recommended to perform a preliminary test on a hidden section. Do not use on porous surfaces such as untreated wood or textiles.
- **SOCOWIPES MULTI** cannot be used to prepare a surface before applying adhesives, sealants or paint.
